7. After being redirected to 5Pay portal, you can see the payment method “FPX Online Banking” in the center.

You can also see the amount of deposit exchanged into VND. Please choose FPX and click “Proceed Payment.”

8. Next, you will be guided to the page where you can choose which bank to deposit from. Please choose and click your preferred bank. In this case, we would use Techcom Bank as an example.

9. The next page will allow you to confirm not only the bank you choose but also the amount of money you deposit. If the information are correct, click the “Confirm” button to continue.

\*Secure Internet Banking: Please use yours **TCB (Techcombank)** login with your account and password.

You will log out in 106 second!

11. Once you log in successfully, you will need to confirm your account by keying in the OTP code in your bank application.

\*(You will receive the OTP code when you successfully log in to your bank account in the last step)

Therefore, please go to your bank application and key in the OTP code in the blank area.

Sometimes you will need to use the scan function in your bank application to scan the QR code down below to get the OTP code, which depends on the policy of different banks.

Here are the banks that will need to scan the QR code: MB Bank, HDBank, TPBank, Vietcombank

4. In this step you will need to fill in your full name, bank account number, bank name, bank address, and swift code so that we can withdraw and transfer the money to your bank account.

5. Enter the withdrawal amount in the “Amount.”

Please be acknowledged that the minimum amount should be over the “Min Amount” and lower than the “Max Amount” in the button.

After filling in all the necessary information, you can click the “Withdraw now” button.

6. If the withdrawal request is successful, you can see the popup message down below. This is the end of Withdrawal procedures.

Once Glovice VC approve your withdrawal request, you will receive the withdrawal in your bank account.

The screenshot displays the Glovice VC withdrawal interface. A central popup window titled "Withdrawal" shows the message "Amount Withdrawal Requested Successfully" with an "OK" button highlighted by a red rectangle. The background interface includes a sidebar with navigation options like Dashboard, My Profile, My Account, My Wallet, Deposit, Withdraw (highlighted), Internal Transfer, My Transactions, Bonuses, Tickets, Loyalty Points, and Log Out. The main content area shows a form for withdrawing to a bank account, with fields for Full Name (K Jack), Account Number (4436436), Bank Name (gnsk), Bank Address (ghdli bsdk), and SWIFT/BIC (fdjymhjt). Below the form, there are fields for Amount (USD 9), Receipt Photo (Optional), Fees (\$0.18), and a Comment field. A "Please Wait..." button and a "Cancel" button are at the bottom right.
